## *Wrestling with our Faith*

**John 11:17-28**

Because Jesus doesn't seem to respond to the urgent needs of the day, many people in our world don't believe either in Him or the God He represents. Suffering also challenges the faith of many people in the church. When you call 911, the paramedics come to your rescue. When you call Jesus, sometimes He takes his own sweet time, it seems, if He comes at all. John 11:17-37 will help us wrestle with our faith.

1. What sort of loss have you suffered, and how do you think that has affected your faith?
2. At this point in your life, who do you identify with most in this story: Martha or Mary?
3. What does it mean to you that Jesus wants to do something for you now, to give you what you may need most: a deeper faith?
4. Picture Jesus weeping for you, as He wept for Mary. How does this image influence you?
5. How do you think John 11:17-37 may help you deepen or restore your faith?
